CF001

*The art of carbon,
the power of protection*

NEW

Thickness:
195µm (7,6mils)

Durability vertical exposure:
up to 10 years

Available in:
1520mm (60in) X 15m (50ft)

WHY SHOULD YOU CHOOSE CF001?

- Acts as a true barrier against day-to-day damage (gravel, insects, car wash brushes, doors ding etc.).
- Gives your car a modern, dynamic and sporting look, in full or partial wrap (roof, wings, mirrors, bonnet etc.).
