A RANGE OF HIGH- PERFORMANCE TOOLS WITH THE ESSENTIALS YOU NEED FOR SUCCESSFUL WRAPPING APPLICATIONS!

The art of wrapping is one that requires precision equipment to ensure optimal installation.

With its network of HEXPERTS installation specialists, HEXIS has developed a range of SHAG tools specially designed and adapted to the world of wrapping and its specifics.

SHAG tools give you the full range of tools you need to apply vinyl, solar films and protective films: squeegee, cleaning fluid, cutter, spray, bubble-piercing pen, glove etc.

Well thought-through tools to make every project a success.

Join the SHAG universe and discover the perfect installer's gear!
